The TWAS Tianjin Meeting brought together over 400 participants from about 60 countries. What did they find and get from the event?

InFocus

238 Address at the Opening Ceremony of the TWAS 12th General Conference & 23rd General Meeting by Chinese President HU Jintao in Tianjin on Sept. 18, 2012

242 Exploring the Vast Universe Hand in Hand, Working Together toward a Better Future for Humankind
Speech by Chinese Vice President Xi Jinping at the Opening Ceremony of the IAU XXVIII General Assembly on August 21, 2012 in Beijing

South-South Coop TWAS Tianjin Meeting

245 Advance International S&T Cooperation and Exchanges
— An Interview with TWAS President-elect BAI Chunli

248 Networking for Sustainable Development via Science and Innovation

255 TWAS Participating in Social Advancement
— An Interview with Prof. Jacob Palis

259 TWAS Tianjin Meeting in Eyes of Participants

265 Over 3,000 astronomers from around the globe celebrate their "Olympics" in Beijing in August.

281 In August, 2012, scientists from over 60 countries gather in Beijing to attend the 23rd International Congress of Theoretical and Applied Mechanics.

298 CAS researchers have constructed a network of trio stations to receive land observing satellite data.

Astronomy

IAU XXVIII General Assembly

- 265 IAU Beijing Meeting: A Landmark for Chinese Astronomy
- 269 Remembering Beijing
- 270 International Cooperation and Education is Key to Chinese Astronomy —An Interview with Prof. Robert Williams
- 272 A More Global Strategy for IAU: Boosting Astronomical Research and Education in Developing Countries — An Interview with New IAU President Norio Kaifu
- 274 Restructuring the IAU — An Interview with New IAU General Secretary Thierry Montmerle
- 276 Present and Prospect of Chinese Astronomy

Mechanics

ICTAM 2012

- 281 Mechanics: China on the Horizon
- 284 "Mechanics Is to Look at Interesting Phenomena and Inspire Imagination" —An Interview with Prof. Timothy J. Pedley

InBrief

- 286 Chinese President Urges Innovation in Science and Technology
- 286 China to Support More Homegrown Talents
- 286 TWAS General Meeting Convenes in Tianjin
- 287 The 11th CTWF Workshop Convenes in Beijing
- 287 Oceanology Institute to Use a New Research Vessel
- 288 Sino-Danish College Inaugurated at UCAS
- 288 Happy 90th Birthday to Chinese Astronomical Society
- 289 World Astronomers Celebrate their "Olympics" in Beijing
- 289 Shanghai Unveils Large Steerable Radio Telescope

290 "Olympics of Mechanics" Held in Beijing

290 Happy 80th Birthday to Chinese Physical Society

- 291 A Major Research Project on New Generation Information Technologies Kicks Off
- 291 CAS Scientist Receives Corwin Hansch Award
- 292 CAS and NSFC Strengthen Partnership in Strategy Studies
- 292 Shanghai Sets up an Institute to Develop Antibody Drugs
- 292 CAS to Boost Technology Transfer and Enterprise Innovation
- 293 A New Institute for Deep Sea Research in Southernmost China
- 293 China to Host the Next International Congress on Catalysis

Institutes

- 294 An Interdisciplinary Life Science Research Center in Beijing
- 296 A New CAS Institute under Construction in Western Taiwan Straits Economic Zone
- 298 A Network of Trio Stations to Receive Land Observing Satellite Data
