IPS 10th Anniversary Symposium on “Research on Infectious Diseases in a Globalized World”

IPS-CAS is proud to commemorate the 50th Anniversary of Chinese and French diplomatic relations and its own 10th anniversary during a day-long high-level symposium on “Research on Infectious Diseases in a Globalized World” on Friday 17th October, 2014. We hope to raise awareness about public health threats and to highlight the state of current research on infectious diseases.

Our institute is more than honored to welcome 2008 Nobel Prize in Physiology or Medicine, Professor François Barré-Sinoussi as well as Vice Chairman of National People’s Congress Standing Committee, Dr. CHEN Zhu, and many more prominent scientific personalities for this event.

We are happy to welcome you to the IPS 10th anniversary celebration!
