

3rd International Conference on
Mountain Environment and Development, ICMED
(2nd Circular)

August 21-25, 2016 Beijing, China

BACKGROUND

The Institute of Mountain Hazards and Environment, Chinese Academy of Sciences (IMHE, CAS), successfully organized the 1st and 2nd International Conference on Mountain Environment and Development (ICMED) held in 2002 and 2012 in Chengdu, China. IMHE is now organizing the 3rd ICMED to be alongside with the 33rd International Geographical Congress of IGU on August 21-25, 2016 in Beijing, China. This conference will provide an opportunity to enhance the academic exchanges on mountain environment and development, discuss the future of mountain research.

THEME

Future Mountain Development

MAIN TOPIC

- (1) Mountain security – disaster mitigation and prevention
- (2) Mountain ecology- service function
- (3) Mountain environment- harmony between human and nature
- (4) Mountain development - livelihood and settlement
- (5) Climate change – impact, adaptation, countermeasure
- (6) Theory and techniques of mountain research (observation, experiment, remote sensing, modeling and scenario analysis)

TIME AND AVENUE

Time: August 21-25, 2016

Avenue: Beijing, China

Hosted by

Institute of Mountain Hazards and Environment, Chinese Academy of Science, IMHE, CAS

Supported by

International Centre for Integrated Mountain Development, ICIMOD

Mountain Branch of the Geographical Society of China, GSC

Committee of Mountain Resource Research with China Society of Natural Resources, CSNR

Professional Committee for Digital Mountain, Chinese National Committee of International Society for Digital Earth, CNISDE

ORGANIZATION COMMITTEE

Chairman

DENG Wei (Director of IMHE,CAS, Director of Mountain Branch of GSC,
Director of Committee of Mountain Resource Research with CSNR, Director of
Professional Committee for Digital Mountain, CNISDE)

Vice Chairman

David MOLDEN (Director of ICIMOD)

Member

WU Yanhong (IMHE,CAS)

ZHANG Ning (IMHE,CAS)

WANG Genxu (IMHE,CAS)

CHEN Xiaoqing (IMHE,CAS)

WANG Yukuan (IMHE,CAS)

LI Ainong (IMHE,CAS)

WANG Xiaodan (IMHE,CAS)

HU Pinghua (IMHE,CAS)

TANG Xiangyu (IMHE,CAS)

SU Lijun (IMHE,CAS)

QIU Dunlian (IMHE,CAS)

HU Ying (IMHE,CAS)

LIU Qin (IMHE,CAS)

SCIENTIFIC ADVISORY COMMITTEE

Chairman

QIN Dahe (Academician of CAS)

Vice chairman

FU Bojie (Former director of Bureau of Science and Technology for Resource Environment, CAS, President of GSC)

LIU Congqiang (Deputy Director of National Natural Science Foundation of China, NSFC)

Gregory.B.GREENWOOD (Executive president of Mountain Research Initiative, MRI)

CUI Peng (Academician of CAS, Deputy director of IMHE, CAS, Vice president of GSC)

Member

SONG Changqing (Director of Geography Department of NSFC)

CAI Yunlong (Peking University)

CHEN Xi (Director of Xinjiang Institute of Ecology and Geography, CAS)

J. S. Gardner (University of Manitoba, Canada)

ZHANG Yili (Institute of Geographic Sciences and Natural Resources Research, CAS)

HE Daming (Director of Institute of International Rivers and Eco-security, Yunnan University)

WANG Kelin (Institute of Subtropical Agriculture, CAS)

DING Yongjian (Cold and Arid Regions Environmental and Engineering Research Institute, CAS)

LIU Weidong (Institute of Geographic Sciences and Natural Resources

Research, CAS)

Thomas Kohler (Center for Development and Environment, University Bern, Switzerland)

Wolfgang Wilcke (Institute of Geography and Geoecology, Karlsruhe Institute of Technology, Germany)

Khanal Narendra Raj (Tribhuvan University)

Samran Sombatpanit (World Association of Soil and Water Conservation)

Vishwambhar Prasad Sati (Government Post Graduate College)

Paolo Tarolli (University of Padova Department of Land, Environment, Agriculture and Forestry, Italy)

John R. Townshend (Department of geographic sciences, University of Maryland, USA)

REGISTRATION

For registration and submission, please visit the website of the 33rd IGC on

<http://www.igc2016.org/dct/page/1>, and find ICMED session (No.2 in the

Forums, Symposium & Special Sessions) .

15 September, 2015 - 15 April, 2016 for early registration

16 April 2016 - 15 July, 2016 for regular registration

After 15 July, 2016 for late registration

TIME TABLE

The 33rd IGC in Beijing, China: 21-25 August, 2016

Call for Session Proposals: by 30 September, 2015

Call for abstracts/papers: 15 September, 2015 - 15 February, 2016

Evaluation of abstract / papers by session chairperson(s): 16 February, 2016 –
15 April, 2016
